Effective January 1, 2022

In an effort to ensure that we can provide the products you need into the future; we must adjust our pricing structure. This means newer products may remain at their current price, but older products will be adjusted.

This is due to the rising cost of materials, shipping, and overhead.

Please note that we have maintained the current pricing structure for more than 15 years. Unfortunately, we are no longer able to do so, and must make these adjustments.

Thank you for your understanding.
